

Answer sheet

Round 1 - Food round

1. Haricot bean
2. Houses of Parliament
3. France (in 1925)
4. Baking powder
5. Seville Oranges

Round 2 - General knowledge

1. 2007
2. Ben Nevis
3. Nitrogen (78%)
4. Josh O'Connor
5. Jones

Round 3 - Lung health round

1. A – 1.8%

This isn't nearly enough, and that's why your fundraising is vital for supporting our research into asthma and other lung conditions.

2. C – 75%

Air pollution is linked to up to 36,000 deaths in England every year and costs society more than £20 billion. That's why we campaign for better air quality.

3. D – 500,000

Asthma UK and the British Lung Foundation were there to support every one of these people with regular health information and Helplines providing clinical, emotional and financial advice.

4. C – 9.8 million

The information published on our websites helps people to make informed decisions about their condition at a time when they need it most.

5. C - £93 million

Every pound spent on research brings us closer to better diagnoses and treatments for people affected by a lung condition.

So now you can see why your support is so vital to us! We hope you enjoyed the quiz. Now you've given the answers, why not let your guests know why this cause is so important to you?
